

RAINFORD
HIGH

PART OF RAINFORD ACADEMIES TRUST

20th March 2020

Dear Parent/Carer

Student Expectations for Remote Learning

This is a time of unprecedented challenge for the nation's schools and learners. To ensure you continue to develop and learn. Your teachers and our school will ensure that even during this time of crisis you are supported fully to ensure Everyone Matters, Everyone Helps and Everyone Succeeds.

“The quest for certainty blocks the search for meaning. Uncertainty is the very condition to impel man to unfold his powers.”- Erich Fromm

Everyone Matters

Students need to check their school emails regularly for messages and updates as well as messages of support and encouragement. This will allow you to interact with teachers and have support with your learning and development. We will continue to support and care for you even though we are apart, we are still a community.

Everyone Helps

You will be given work via google classrooms, Show My Homework or other learning platforms. This work will have clear deadlines and you will receive teacher feedback over every 2-3 weeks on all your work from your class teacher. We will try and keep you engaged and supported with a variety of online communications.

Everyone Succeeds

Working hard and completing work to a good standard is the basis of how we all learn. Your teachers will check on your progress and give feedback whilst continuing to reward your efforts with e-praise postcards. Teachers will also contact parents if you are not on track or completing work to a high enough standard.

Our school might be closed but our community and education continues.

Please contact school on info@rainford.org.uk if you have any problems accessing any of the online platforms we have used for setting work and learning tasks and we will do our best to resolve any problems. Here is the link to the guide to online learning platforms at Rainford High:
