

Year 13		English	Maths	Science	Art, Design and Technology	Performing Arts	Social Sciences	Computer Science	Humanities	PE A LEVEL / NCFE	MFL
 Intent What students will cover / style of task	Week 1	English Language: Investigation studies begin. Introduction of the topics and research tasks. English Literature: Rossetti poems (X2) and Othello assessment	A Level Maths: Further Integration and Further Probability A Level Maths: Complex numbers, Mechanics, Exponential distribution Core Maths: Maths for personal finance	Biology – Osmoregulation & the kidney Chemistry – PAG 6.3, lab books & follow up Physics – Milikans oil drop experiment	Fine Art: Completion of final pieces. Photography: Complete all Component 1 coursework. Present best/final images, complete evaluations and annotate choices made. Graphics Unit 3 Translations task – Combine ongoing research with ideas generation and visual recording alongside experimentation with media, techniques and processes.	Music: Muse – Supersonic Black Hole Analysis Composition development Piano music of Grieg PA Pa Unit 3 – Responding to a stimulus, script writing and development Miles stone 1 task 1 complete for homework Pa unit 28 – Task 4 – target audience Developing a variety performance as a group.	HSC – Revision and walking talking mocks Theories of religion	Computing Testing Exam Technique COMP3 Solution, testing and Evaluations Media Unit 8 Exam preparation Proposals Business Completing primary and secondary research independently for exam in Jan	Eco – Globalisation/ trade and advantage Geog – Superpower Geographies - Geopolitical tensions and Emerging Superpower issues/ Water cycle and Water security - water conflicts Hist – Contributions to ending the Cold War and interventions in the Balkans/ How did the Bolsheviks use terror/purges to gain and maintain control? Law – Tort – damages and injunctions	Physiological factors – biomechanics. – forces and their effects in sport – force diagrams, linear motion. Sociocultural – finish off the recap of Y12 content	Vocabulary learning 10.1 Assessment - Unit 7-9 Como agua para chocolate

					Textiles Combine ongoing research with ideas generation and visual recording alongside experimentation with techniques and processes.				Pol – US executive consolidation and assessment Psych – Relationships: factors affecting attraction RE – Sexual ethics: Euthanasia		
Week 2	English Language: Investigation studies begin. Introduction of the topics and research tasks. English Literature: Rossetti poems (X2) and Othello play with focus on key scenes	A Level Maths: Further Integration and Statistical distributions A Level Further Maths Complex numbers, Mechanics, Statistical inference and confidence intervals Core Maths: Maths for personal finance	Biology – Loop of Henle, ultrafiltration & selective reabsorption Chemistry – PAG 11.2, mock preparation Physics – Newton vs Huygen, history of light	Fine Art: Completion of final pieces. Photography: Complete all Component 1 coursework. Present best/ final images, complete evaluations and annotate choices made. Unit 3 Translations task – Generate alternative options. Look at different ways of doing this, such as combining	Music: Muse – Uprising analysis Composition development Piano music of Grieg Pa Unit 3 – Responding to a stimulus, incorporating frantic assembly techniques Start Miles stone 1 task 2 complete for homework Pa unit 28 – Task 5 – target audience Developing a variety performance as a group. Complete in log book.	HSC – Revision and walking talking mocks Religion and social change	Computing Testing Exam Technique COMP3 Solution, testing and Evaluations Media Unit 8 Exam preparation treatment Business Completing primary and secondary research independently for exam in Jan	Eco – Balance of payments/ exchange rate system and economic growth and development Geog – Superpower Geographies - Emerging Superpower issues and Superpower futures/ Water cycle and water security - managing water insecurity Hist – John Major essay and Thatcher and Major review/NEA		Vocabulary learning 10.2 Introduction to 'Jóvenes de hoy, ciudadanos de mañana' Assessment feedback and priorities for mock exam revision.	

				materials, using lateral thinking, etc.. Textiles Develop ideas generation based on results of research and refine through visual recording				essay skills and planning/ How did the purges deal with opposition? Law – Tort revision/ mock exam revision Pol – An Introduction to the US Judiciary Constitutional role of the US Judiciary Psych – Relationships: factors affecting attraction RE – Sexual ethics: Homosexuality		
Implementation How content will be set	Instructions shared via Show My Homework and Google Classroom. All work set and submitted via Google Classroom.									
Impact How/when content completion will be monitored	Reading homework tasks Low-stakes quizzes on Google Classroom Staff will monitor	Assessment in Google Meet lessons Class teacher monitoring Mymaths tasks Tasks submitted to	Work to be submitted via google classroom. Assessments to be completed on google classroom and monitored	Sketchbooks and digital portfolios will be developed to show progress, this will be monitored and feedback given.	Work will be submitted via Google Classroom and monitored and fed back upon	Work will be submitted via Google Classroom and monitored and fed back upon	Work will be submitted via Google Classroom and monitored and fed back upon	All work to be completed on google classroom. All assessments to be submitted via google classroom	Google classroom and assessments in class. Everlearner checkpoint tasks and videos – self mark	Submission via Google Classroom. Teacher assessment of exams. Vocab learning monitored via Quizlet.

	completion of tasks on Google Classroom	Google Classroom	and fed back upon.
