

Y11 and Y13 Centre Assessed Grades 2021

- Instead of exams, you will receive grades based on assessments by your teachers
- Teacher-assessed grades will be sent to the exam board to be processed

How will teachers make judgements on grades?

- They'll use a range of evidence of your work, like coursework and practice papers to inform decisions.
- Teachers will let you know what evidence they'll use before submitting grades to the exam board. This is so you can confirm it's your own work, and let teachers know of any mitigating circumstances that might have affected it
- Teachers will only assess you based on what you've been taught

How will we know grades are awarded fairly?

- Our school will have an internal quality assurance process in place that'll take into consideration our results in previous years. This is to make sure teachers' judgements aren't too harsh or lenient
- Exam boards will also have their own quality assurance process. They'll check that our internal procedure is fair before they process any grades, and they might also visit our school to review evidence from some subjects
- We'll submit a declaration to the exam board confirming that we've followed the requirements for our internal quality assurance process

When will we get our results?

- **AS and A-level pupils:** Tuesday 10 August
- **GCSE pupils:** Thursday 12 August

Can we appeal?

- Yes, you will all have the right to appeal your grade.
- If you appeal, we'll carry out a review to make sure we've followed all processes correctly and that we haven't made an error in your grade

Next steps

- Teachers and departments are working on an assessment schedule which will begin from Thursday 25th March – 5 days prior to breaking up for Easter – and run to May 28th
- We will try to ensure you don't have too many assessments on any day
- Assessments will be 45mins – 1 hour – allowing for extra time where students need it
- Take place in controlled conditions

Next Steps

- You should get this schedule on Wednesday, along with some materials to explain what the assessments will cover and guidance on revision materials
- Teachers will discuss where they think you are now in your learning and how you can improve the quality of your work

Finally...

- We don't award grades. We assess YOUR work. It's up to you to show us what you are capable of
- Earn it. Secure it. Improve it. – it's your opportunity – time to show Everyone Succeeds

EVERYONE MATTERS EVERYONE HELPS EVERYONE SUCCEEDS
