Computer Science

		Lesson content	Assessment	Homework/Revision
04/09/23	1	Compression		Key word Test 1
11/09/23	2	Encryption Abstraction		Key word test 2
18/09/23	3	Hashing Thinking ahead		Key word test 3
25/09/23	4	Databases - Intro Thinking Procedurally	Mock paper	Key word test 4
02/10/23	5	Databases - Relationships Thinking logically		Key word test 5
09/10/23	6	Databases - Normalisation Thinking concurrently		Key word test 6
16/10/23	7	Databases SQL A* Algorithms		Key word test 7
23/10/23	8	Recap and revise for mock A* Algorithms	Mock paper	Key word test 8
06/11/23	9	Systems Architecture Big O Notation		Key word test 9
13/11/23	10	Systems software Searching and sorting		Key word test 10
20/11/23	11	Application generation Searching and sorting		Key word test 11
27/11/23	12	Link, load, library Trees	Programming mock	Key word test 12
04/12/23	13	Software Development Trees		Key word test 13

11/12/23	14	Networks Hardware Programming		Key word test 14
18/12/23	15	Network Protocols Programming	Mock paper	Key word test 15
08/01/24	16	Network Security IDE's		Key word test 16
15/01/24	17	The internet Programming	Walk talk paper 1	Key word test 17
22/01/24	18	Legislation Programming		Key word test 18
29/01/24	19	AI Programming	Walk talk paper 2	Key word test 19
05/02/24	20	Recap and revise Programming		Key word test 20
